

BOYS & GIRLS CLUBS

March 17, 2009
Velocity Trade Exchange

Dear Members

The mission of The Salvation Army Boys & Girls Clubs of Greensboro is to “inspire and enable all young people, especially those who need us most, to realize their full potential as productive, responsible and caring citizens”. At our six club units, we offer after-school programs that work. Our wide range of programs, including teen programs and summer day camps, encompass everything from sports and technology, to the arts, tutoring and health topics – all with an emphasis on building strong character. The programs we offer give kids an alternative to the streets.

On Thursday, April 16, 2009, The Salvation Army Boys & Girls Clubs of Greensboro will host our annual fund-raising Gala & Auction. This event is our organization’s largest fund-raiser and major source of our programs’ continuity and growth. I would like to ask that you and your company consider donating an item to be auctioned at the Gala this year. Your support for the Gala would be greatly appreciated and it would go a long way towards helping our area’s youths. All proceeds of the event go to support citywide programs.

Thank you in advance for your consideration.
