

## Member Referral Bonuses

Do you know of companies that would benefit by being a part of Velocity Trade Exchange? We offer generous referral bonuses to BOTH members AND nonmembers.

Velocity Trade Exchange is committed to facilitating the growth of our local economy by providing a creative resource to small businesses in the Triad. You too can be part of this effort! Velocity Trade Exchange offers several referral incentive options, payable in Trade Dollars (indicated here as T\$) - The more effort you put into recruiting new members, the more you get back (Note: incentives are not valid if VTE has already called upon the prospective member).

**Leads:** Have a specific company in mind that you'd like VTE to recruit but don't feel comfortable making the introduction? For each lead you provide that we are able to recruit as new members, you earn **T\$25 each for the first 3 members acquired from your leads and T\$40 per member thereafter.**

**"Warm" Referrals:** A prospective member decides to join primarily as a result of your efforts or a new applicant lists your company on their application as the referral source. You'll earn **T\$50 each for the first 3 members acquired from your referrals and T\$75 per member thereafter.**

Refer a New Member to the VTE Network  
and Receive New Member Incentives!
